RUN FOR HOME

Community Fitness Festival 2019

- ⇒ Support Habitat for Humanity East Central Ohio. In the past eleven years, we've raised \$209,000 for Habitat projects in Tuscarawas County.
- ⇒ Promote community fitness. The Run for Home has an event for everyone from a kids' run to the half-marathon, encourages employee participation with registration discounts.
- ⇒ The Run for Home provides a wide-range of promotional opportunities providing great exposure with a community event involving more than a thousand participants and hundreds of volunteers.
- ⇒ Compete for the Run for Home Corporate Challenge. We will present a special award and provide additional publicity to the sponsor who provides the most participants and volunteers.
